2023 SUMMER PROGRAMME

WELCOME

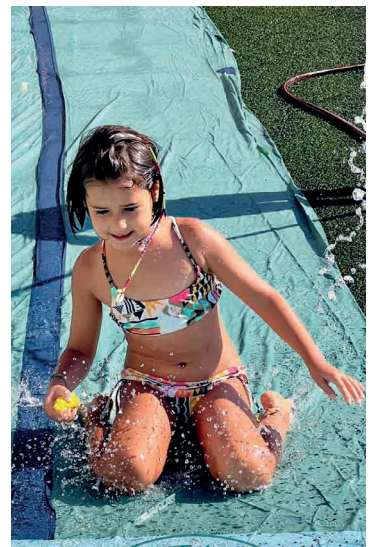

Lady Elizabeth Summer Camp has a number of academic subjects and exciting activities with options to suit every child. It provides a wonderful opportunity for pupils from different countries and backgrounds to study English or Spanish and to have an amazing experience in a safe and friendly environment.

As well as English or Spanish language teaching at beginner, intermediate and advanced levels, students will enjoy a full programme of sport, creative arts and STEM, (Science, Technology, Engineering and Maths), activities.

We offer Half and Full Day Programmes for children of all ages and also a Residential Programme for older students who want total immersion in either English or Spanish. Intensive language courses allow students who are preparing for exams to really focus solely on improving their language skills. For our younger learners, there are age specific programmes for each group and all learning is based on having fun and participating in great activities which are taught in the target language.

Weekly excursions for all children from 6 years old are included in the Full Day and Residential Programmes.

LOCATION & FACILITIES

Students will enjoy the great weather and the wonderful location of Summer Camp at Lady Elizabeth School. Located on the Costa Blanca in Spain, the climate and the surrounding national park, are ideal for mountain bike riding, orienteering and hiking. The safe and clean environment is only an hour from Alicante and Valencia airports.

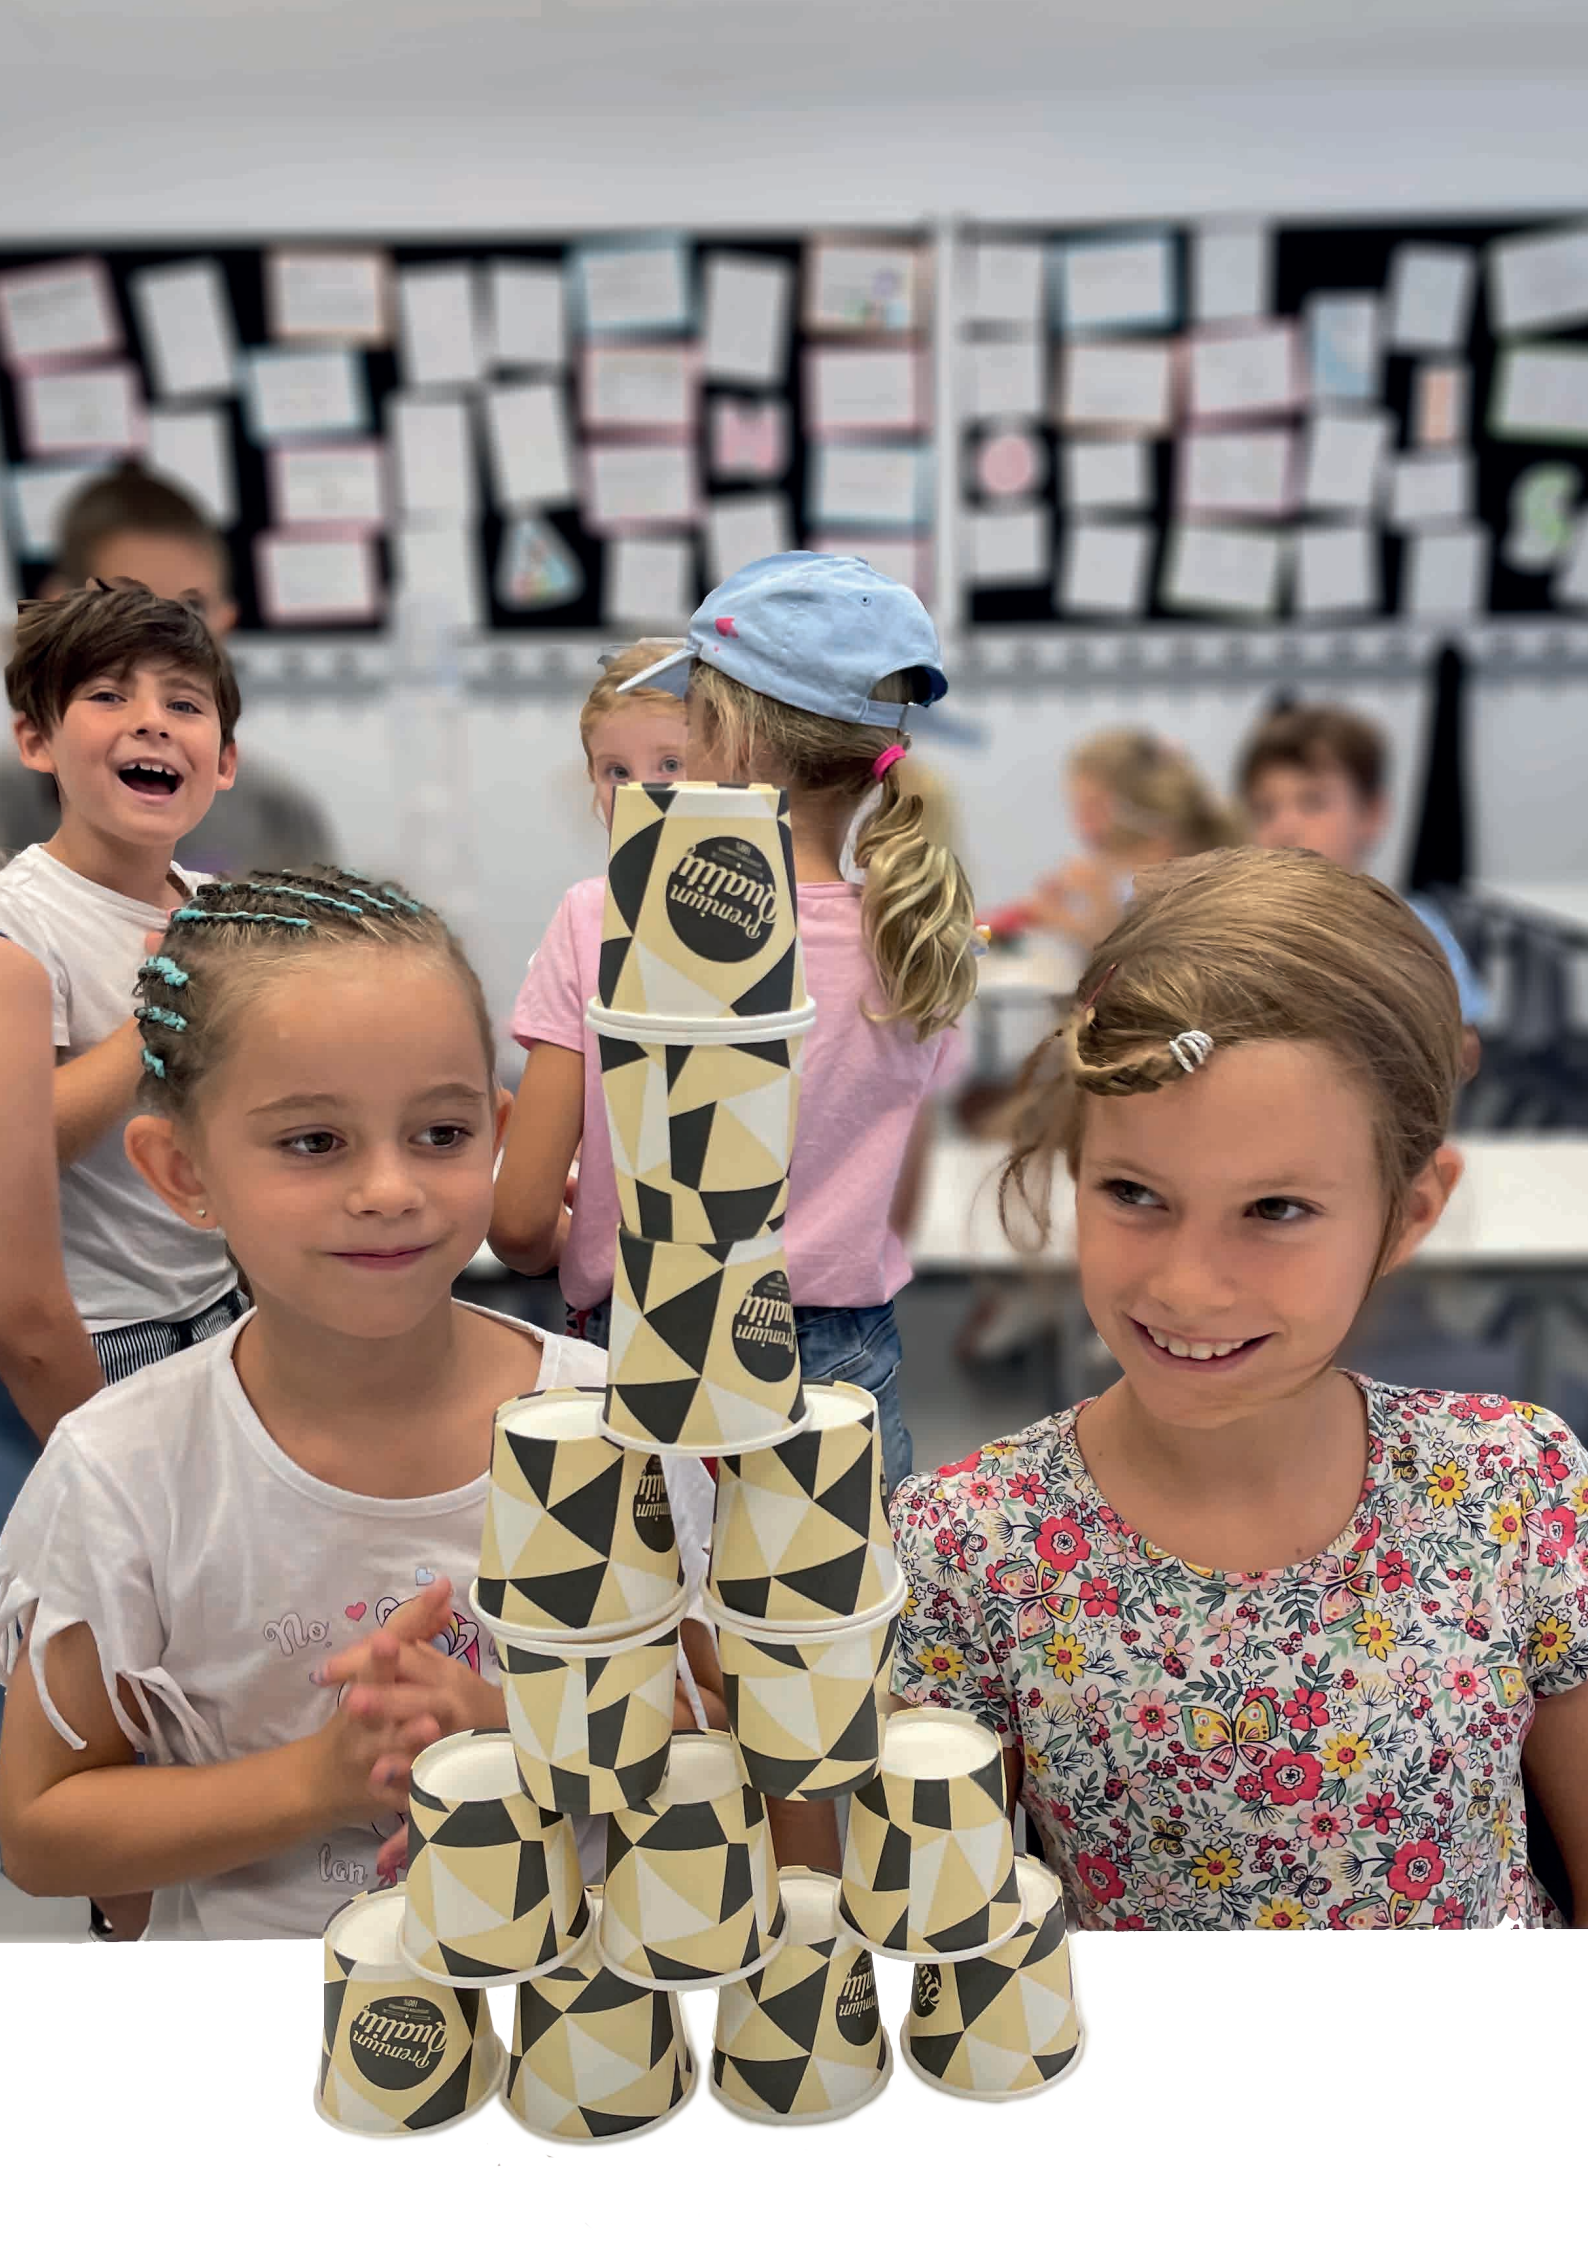

The Secondary Campus has amazing facilities with views over the Mediterranean Sea. Students will make the most of great learning areas including:

- ✓ Science labs
- ✓ State of the art classrooms with interactive whiteboards
- ✓ 25 meter swimming pool, astro-turf football pitch, outdoor all-purpose sports court
- ✓ Full size gymnasium
- ✓ Dance and drama studios and large theatre for performances
- ✓ Art studio
- ✓ Cooking facilities

A specific area for our nursery children, (2 - 4 year old children), is situated in the Primary School, which is right across the road from the Secondary Campus and includes:

- ✓ Several playgrounds
- ✓ Indoor soft play area
- ✓ 20 metre indoor swimming pool
- ✓ Gardens
- ✓ Specialised classrooms and equipment

2023 STEAM PROGRAMME

SCIENCE, TECHNOLOGY, ENGINEERING, ART AND MATHS

STEAM, Science, Technology, Engineering, Art and Maths, has once again been included in our Summer School Programme for children from 4 to 10 years old.

- ✓ STEAM aims to encourage an interest and lifelong love of the arts and sciences.
- ✓ Each subject is similar in that they involve creative processes and none of them uses just one method for inquiry and investigation.
- ✓ Project-based learning that crosses each of the five disciplines.
- ✓ Engages all students and gives them the opportunity to contribute.
- ✓ Fun and very 'hands-on' activities.
- ✓ Extends English or Spanish vocabulary at the same time.

INQUISITIVE MINDS

2023 SUMMER PROGRAMME

FORTNIGHTLY THEMES

EACH FORTNIGHT WE FOLLOW A SUMMER CAMP THEME FOR CHILDREN AGED FROM 4 TO 10. WHETHER THEY ARE LEARNING ENGLISH OR SPANISH OR JUST AT CAMP TO DO ACTIVITIES, THEY WILL COMPLETE FUN ACTIVITIES AND LANGUAGE CLASSES BASED ON THE THEME.

WEEKS 1 & 2 - LOST IN SPACE

(FOR 4 - 10 YEAR OLDS: FOUNDATION 1 - YEAR 6)

Fun filled activities and projects based on Space.

4 YEAR OLDS (FOUNDATION 1 & 2)

- Make a Flying Rocket
- Make Toy Story Alien Cards
- Make Space-Themed Puppets/Stick-pin Astronauts
- Space Project Rocket Ship and Astronauts
- Learn about the Solar System whilst making Marbled Planets
- Make a Solar System Mobile to help learn about the different sizes of the planets and their positions in space
- Learn space vocabulary and interesting facts about space and earth

5 - 8 YEAR OLDS (YEARS 1 to 4)

- Robot Balancing STEAM Activity
- Learn about the Solar System and then make a model Solar System
- Make a Film Canister Rocket that really takes off
- Make your own Robot
- Make your own Rocket and Propel it into Space
- Assemble Clay Constellations
- Make beautiful water-colour planets whilst learning all about them
- Make stretchy Universe Slime
- Make your very own Buzz Lightyear
- Create your own Storybook about a Space Adventure

9 - 10 YEAR OLDS (YEARS 5 & 6)

- Work in teams to make a giant rocket ship (which team will win the prize)
- Learn about the Solar System and then Make your own model Solar System
- Write your own mini-book about a Space Adventure
- Make your own Space Board Game
- Complete a NASA Activity Book
- Make your own Balloon-Powered Nanorover
- Build a Physics Machine
- Build a Satellite
- Work in groups with Space Fact and Discussion Cards - extend your English/Spanish Vocabulary

2023 SUMMER PROGRAMME

FORTNIGHTLY THEMES

WEEKS 3 & 4 - SUPERHEROES

4 - 6 YEAR OLDS (FOUNDATION 1 TO YEAR 2)

Children will love to make Superhero Crafts and dress up as their favourite Superhero.

- Wooden Spoon Superheroes
- Captain America Shield
- Superhero Wrist Bands
- Superhero Cape
- Superhero Mask
- Wooden Peg Superheroes
- Age specific writing and number tasks
- STEAM activities

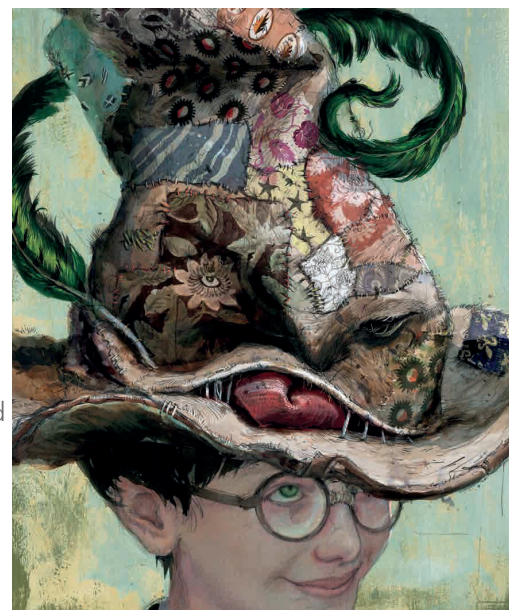

WEEKS 3 & 4 - WITCHES AND WIZARDS

7 - 10 YEAR OLDS (YEAR 3 - YEAR 6)

Harry Potter, Fantastic Beasts and everything magical is a theme loved by all children. The theme will be adapted for different ages.

- Let the Sorting Hat choose your Wizarding house
- Make a magic wand
- Make a Harry Potter book mark
- Design a potion, describing the contents, the smell and what it does
- Describe Harry Potter characters
- Make a magical vocabulary journal
- Complete comprehension tasks
- Write a letter home from Hogwarts telling parents all about Hogwarts and new friends
- Debate like an expert about wizarding issues
- Learn to write some spellbinding poetry
- Solve magical maths mysteries
- Turn your classroom into a Hogwart's classroom

WEEKS 5 & 6 - ALL ABOUT THE OCEAN

3 - 6 YEAR OLDS (FOUNDATION 1 TO YEAR 2)

Pirates, mermaids, Neptune's Kingdom, whales, dolphins, sharks, fish, adventure and so much more about the oceans and seas will be learnt during the 'All About the Ocean' theme.

- Turn the classroom into an 'Under the Sea' wonderland with sea creatures, mermaids and lost treasure that has been made by the children
- Pirate and mermaid crafts
- Learn vocabulary and interesting facts about our amazing oceans & seas
- Age specific writing tasks and activities
- Learn all about ocean habitats

WEEKS 5 & 6 - TIME TRAVEL

7 - 10 YEAR OLDS (YEAR 3 TO YEAR 6)

- Travel back, or forward, in time using the class time machine made by students
- Visit different countries in the past and learn all about their culture, food and traditions
- Travel into the future and predict what things could be like
- Travel back to the Middle Ages and conquer the dragon alongside King Arthur
- Write a story about a journey to a lost civilization
- Just remember to land right back where you started - don't get stuck in the past with the dinosaurs!

2023 SUMMER PROGRAMME

NURSERY 2 - 3 YEARS

Nursery children, aged 2 to 3, enjoy a variety of activities during their time at Summer Camp. Our friendly and professional staff place emphasis on the children having fun and provide a varied and active programme for both the Half Day and Full Day Programme. With face painting, dance, music, art, gym/sport and swimming, there is never a dull moment and learning comes naturally in the relaxed, safe and cheerful environment.

The Nursery Programme includes:

- ✓ Fully qualified and professional staff assisted by highly motivated monitors
- ✓ Child/Teacher ratio in accordance to UK regulations
- ✓ Native English teachers

- ✓ Highly qualified swimming teacher
- ✓ Specific areas just for nursery children
- ✓ Specialised equipment and playground areas
- ✓ Gymnasium
- ✓ 20 metre indoor swimming pool
- ✓ Daily routine to suit individual needs
- ✓ Creative activities
- ✓ Swimming
- ✓ Dance
- ✓ Circus Activities
- ✓ Cooking
- ✓ Play time in the gym
- ✓ Special activities in school once a week (bouncy castle etc)

AN INTERNATIONAL
SUMMER CAMP
WITH SO
MANY GREAT
ACTIVITIES

2023 SUMMER PROGRAMME
YEAR 5 & YEAR 6
9 - 10 YEARS

English and Spanish lessons at Summer Camp, in 2023, will also include, 'STEAM', Science, Technology, Engineering, Art and Math. Students will explore the elements of each subject by participating in fun hands-on activities which stimulate the mind while learning about concepts like chemistry and motion and force. Alongside the excellent English or Spanish lessons, children will enjoy a number of fun and exciting activities. This year, Year 5 and Year 6 pupils will love learning a new skill each week from yo-yoing to roller-blading and double-Dutch skipping.

The Year 5 & Year 6 programme includes:

- ✓ Fully qualified and professional staff assisted by highly motivated monitors
- ✓ Highly qualified activity teachers
- ✓ A monitor dedicated to each group to be with the pupils all day
- ✓ Lessons in Spanish or English
- ✓ Workbook in Spanish or English
- ✓ Weekly excursions (included in the Full Day Programme price, Half Day students are required to pay extra for the excursions)
- ✓ Try a new skill each week (yo-yo, skipping, roller-blading, gymnastics, computer programming)
- ✓ STEAM, Science, Technology, Engineering, Art and Maths Activities
- ✓ Performing Arts (Dance, drama, martial arts)
- ✓ Circus Activities
- ✓ Swimming
- ✓ Cooking
- ✓ Sport
- ✓ Karate
- ✓ Art & Craft
- ✓ Gymnastics
- ✓ Woodwork
- ✓ Tennis
- ✓ Engaging and fun fortnightly themes

AN INTERNATIONAL
SUMMER CAMP
WITH HIGH QUALITY
ENGLISH & SPANISH
TEACHING

2023 SUMMER PROGRAMME
YEAR 7 & YEAR 8
11 - 12 YEARS

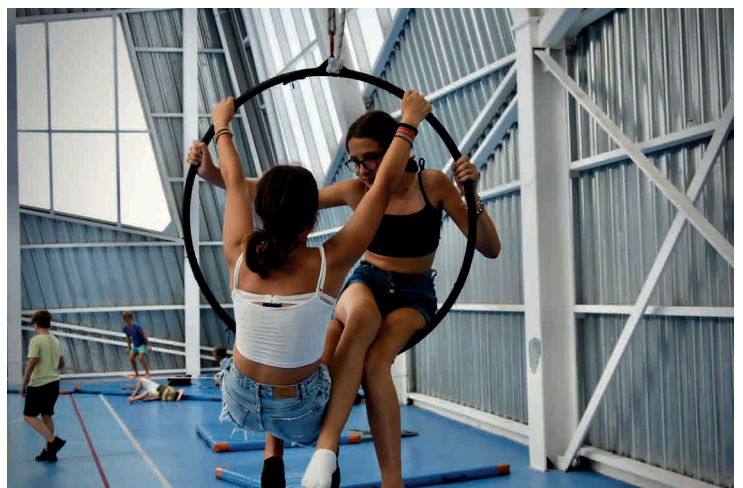

Year 7 and Year 8 pupils follow the same programme as older students, however, they are separated into age groups in both English or Spanish classes, and activity classes, to ensure that they are with children the same age. They are assessed at the start of the course and placed in English or Spanish classes according to their level. As well as the academic subjects, students will also enjoy a variety of different activities including, sport, cooking, swimming, art, performing arts, circus skills, karate, tennis, padel, woodwork and team building activities. During the week they will attend an outdoor activity such as stand up paddle, snorkelling and kayaking, a ropes course in Parcent or visit Aqua Natura, one of the local water parks in Benidorm.

The Programme includes:

- ✓ Fully qualified and professional English and Spanish teachers assisted by highly motivated monitors
- ✓ Highly qualified activity teachers
- ✓ Workbook for Spanish or English
- ✓ English Academic subjects which include: Science, Media Studies, Creative Writing and three levels of English
- ✓ Spanish classes at Beginner, Intermediate and Advanced Level. Classes will focus on speaking, reading, writing and listening skills as well as improving general vocabulary helping students to communicate in Spanish.
- ✓ A monitor dedicated to each group to be with the pupils all day
- ✓ Weekly excursions (included in the Full Day Programme price, Half Day students are required to pay extra for the excursions)
- ✓ Performing Arts (Dance, drama, martial arts, film making)
- ✓ Circus Activities
- ✓ Swimming
- ✓ Cooking
- ✓ Sport
- ✓ Karate
- ✓ Art & Design
- ✓ Gymnastics
- ✓ Woodwork
- ✓ Tennis
- ✓ Padel

2023 SUMMER ENGLISH PROGRAMME

YEAR 9 - YEAR 13

13 - 17 YEARS

Students 13 - 17 participate in interesting English academic subjects including English Language, Environmental Sustainability and Conservation, Media Studies, Creative Writing and Global Perspectives. The individual academic subjects are all designed to enhance and improve a student's understanding of English. As well as the academic subjects, students will also enjoy a variety of different activities including, sport, cooking, swimming, art, performing arts, circus skills, karate, tennis, padel, woodwork and photography. During the week they will attend an outdoor activity such as Stand Up Paddle, Snorkelling and Kayaking, Bike-Riding or a Ropes Course in Parcent.

The programme includes:

- ✓ 12 hours per week of dedicated English language tuition
- ✓ Delivered by highly qualified and motivated English teachers assisted by highly motivated monitors
- ✓ Highly qualified activity teachers
- ✓ All lessons in English
- ✓ Workbook and all materials provided
- ✓ Academic subjects which include: Science, Global Perspectives, Media Studies, Creative Writing and three levels of English
- ✓ A monitor dedicated to each group to be with the pupils all day
- ✓ Weekly excursions (included in the Full Day Programme price, Half Day students are required to pay extra for the excursions)
- ✓ Performing Arts (Dance, drama, martial arts, film making)
- ✓ Circus Activities
- ✓ Swimming
- ✓ Cooking
- ✓ Sport
- ✓ Karate
- ✓ Art & Design
- ✓ Gymnastics
- ✓ Woodwork
- ✓ Tennis
- ✓ Padel

2023 SUMMER SPANISH PROGRAMME

YEAR 9 - YEAR 13

13 - 17 YEARS

Spanish language sessions are conducted in a full Spanish immersion environment and designed to promote proficient use of grammar, vocabulary, pronunciation, speaking, listening, reading, writing and conversational Spanish. Classes are structured around either A Level or GCSE exam preparation and are taught by teachers who specialise in preparing students for these exams.

Formal Spanish classes are offered at three different levels; pre-intermediate, intermediate and advanced. Students work in small groups to build confidence and fluency in real life scenarios. They'll develop skills in thinking, reading, writing, listening and speaking in Spanish. Students will get feedback from their teachers who will inform them of the areas they need to do more work on.

As well as Spanish lessons, students will also enjoy a variety of different activities including, sport, cooking, swimming, art, performing arts, circus skills, karate, tennis, padel, woodwork and photography. During the week they will attend an outdoor activity such as Stand Up Paddle, Snorkelling and Kayaking, Bike-Riding or a Ropes Course in Percent.

Our classes cover:

- ✓ 12 hours per week of dedicated Spanish language tuition
- ✓ Delivered by highly qualified and motivated GCSE and A Level Spanish teachers
- ✓ Project orientated lessons requiring students to present information to the class using their spoken language skills
- ✓ Reading from modified texts and learning various strategies to assist with comprehension
- ✓ Develop analytical skills to interpret literature and images
- ✓ Writing daily, practising grammatical structures and learning new vocabulary.
- ✓ Specific preparation for A Level or GCSE exams

Activities include:

- ✓ Weekly excursions (included in the Full Day Programme price, Half Day students are required to pay extra for the excursions)
- ✓ Performing Arts (Dance, drama, martial arts, film making)
- ✓ Circus Activities
- ✓ Swimming
- ✓ Cooking
- ✓ Sport
- ✓ Karate
- ✓ Art & Design
- ✓ Gymnastics
- ✓ Woodwork
- ✓ Tennis
- ✓ Padel

2023 SUMMER PROGRAMME ACTIVITIES

A person wearing a black helmet, a black backpack, and blue shorts is rappelling down a rocky cliff face. They are holding onto a thick white rope that runs vertically down the center of the frame. The cliff is made of light-colored, layered rock. In the background, another person is visible on the cliff. The sky is clear and blue. There is some green vegetation on the right side of the cliff.

The activities at Lady Elizabeth School are the counterpart to academic classes. While still structured and disciplined, they give students a chance to enjoy sporting and creative activities to further develop their knowledge and skills. Teachers of the individual activities are subject specialists with a lot of experience. Students are accompanied, to each activity, by a monitor who stays with them for all lessons.

School based activities vary for each age group. Activities include, sport and swimming, art, photography and design, circus skills, performing arts including acting, dance and stunts, cooking, woodwork, karate and boxing. For the teenagers, the last lesson of the day is where students get to choose from a variety of workshops such as yoga, film making, tennis, padel and public speaking.

IN SCHOOL ACTIVITIES

COOKING (all ages)

Cooking is an all-time favourite at Summer Camp. Students enjoy experimenting in the kitchen and making a variety of different dishes in their cooking lessons. Younger pupils learn to ice cakes, make pizzas, make and ice biscuits and so much more. The older students participate in a Master Chef style competition, at the end of the second week of the programme. The competition gives students the chance to put their cooking skills to the test. They have to prepare a three course meal under timed conditions. Presentation, efficiency and the final result will be judged by a panel of Summer School Staff. Cooking is a lot of fun and a great opportunity for students to improve their English or Spanish and their cooking skills.

SPORT (all ages)

Pupils try new sports or improve on skills they may be already developing. Football, volleyball, spike ball, rounders, rugby, cricket, swimming, frisbee, softball, hockey and many other sports are played throughout the weeks at Summer Camp. Younger children enjoy mini Olympics, swimming competitions, tennis and many other fun sporting activities. For the teenage students, there are regular competitions and team events for everyone to participate in. Duathlon, triathlons, sports challenges and survival style races are all a great way to promote team spirit.

Outdoor education is part of Summer Camp with older students able to participate in activities such as mountain bike riding, orienteering, kayaking, stand up paddle and regular visits are made to local padel and tennis courts.

IN SCHOOL ACTIVITIES

CIRCUS SKILLS *(all ages)*

Stilt walking, aerial acrobatics, juggling, uni-cycle riding, balance and diabolo are some of the circus lessons. Students enjoy the challenge of learning new things and trying to master some activities under the watchful eye of our professional circus teacher.

skills taught during of the more difficult

PERFORMING ARTS *(all ages)*

The Performing Arts course gives students a new and interactive way to hone their English or Spanish skills and become stars of the stage! Our highly qualified and professional Performing Arts teacher is an actress, a stunt woman, a gymnast, a dancer and a martial arts coach. She will run sessions on improvisation, stage settings, and theatrical techniques. Classes include dance, drama, martial arts, gymnastics and stunts. Classes are adapted according to age.

AN INTERNATIONAL SUMMER CAMP
WHERE STUDENTS
LEARN NEW SKILLS

IN SCHOOL ACTIVITIES

ART, PHOTOGRAPHY & DESIGN

(Art - all ages, Photography & Design 13 - 16)

Students who like art and enjoy being creative will love spending Art and Design lessons working on some great artistic projects based around the fortnightly themes. Older students will also have the opportunity to complete some photography based projects and learning to edit them using Photoshop and other editing programs.

WOODWORK (4 - 17 years)

We have included woodwork in the programme to give students the opportunity to learn new skills and to complete a small woodwork project to take home. They will learn how to use basic woodwork tools under the supervision of an experienced carpenter and woodwork teacher.

Over the two week period they will manage their own project and enjoy seeing the final outcome. Students love to create and there is nothing more satisfying than working on a project from start to finish.

IN SCHOOL ACTIVITIES

KARATE (all ages)

Karate is a great form of exercise and discipline for students. In classes, students will look at self-defence, technique and some basic skills in karate. The classes are held by a black-belt instructor who is energetic and passionate about karate.

WORKSHOPS/CHOICE OF ACTIVITIES (13 - 17 years)

For the last lesson of the day, students will be given the choice of different workshops and activities including film making, public speaking, yoga, karate, tennis, football, bike riding, swimming and circus skills. They will make their choices at the beginning of the week for the whole week. A broad range of activities are available for students to choose from.

OUT OF SCHOOL EXCURSIONS KAYAKING, STAND UP PADDLE and SNORKELLING (9 - 17 years)

What better place to spend time on the sea than the sparkling Mediterranean. Kayaking, stand up paddle and snorkelling are enjoyed by students when they take a day out of school and travel the short distance to one of the beautiful local beaches. Monitors give students instruction so that students learn the correct technique, but they also get free time just to play around and have fun with their friends.

OUT OF SCHOOL EXCURSIONS ROPES COURSES (6 - 17 years)

Activities including zip wires, archery, team building games, and high ropes courses are one of the all day excursions enjoyed by students in a beautiful shady park located not far from the school.

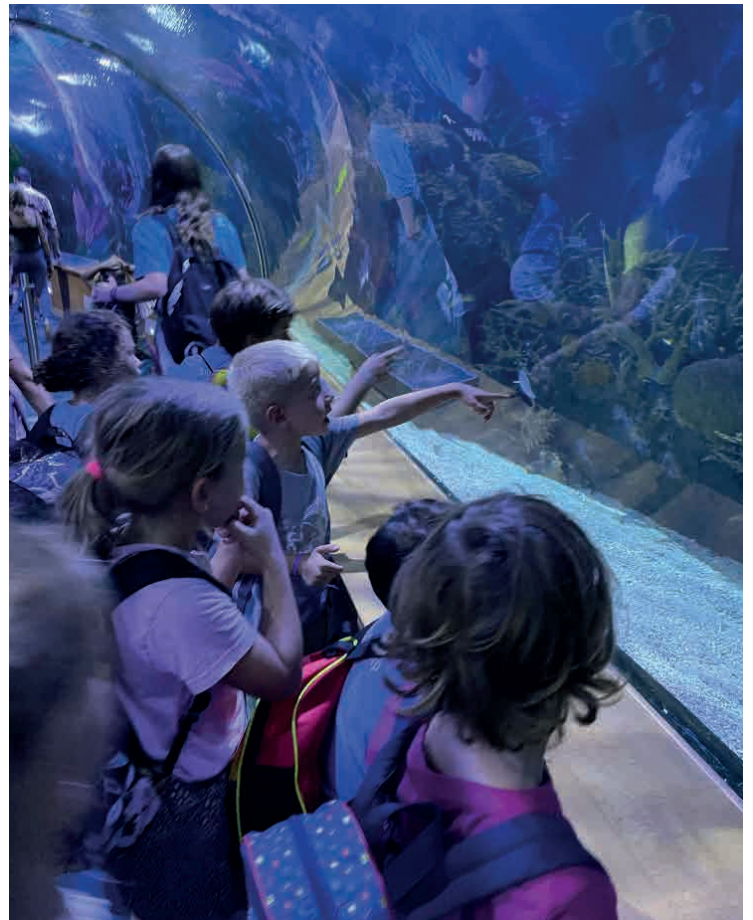

OUT OF SCHOOL ACTIVITIES VISIT TO LOCAL WATER PARK (6 - 17 years)

With perfect weather everyday, students appreciate a day out of school to have fun at the local water park which is situated in Benidorm. They spend the day on the water slides and in the pools with their friends.

OUT OF SCHOOL EXCURSIONS
FOR OUR 6 - 8 YEAR OLDS

6 - 8 year old children love to go on excursions so we organise activities and visits that are suitable for their age. They enjoy visiting Mundomar the animal them park in Benidorm and L'Oceanogràfic the oceanarium in Valencia, climbing the trees and going on the zip wires at the Vital Par Centre in Parcent and the Aqua Natura water slide park in Benidorm. Each week they go on a different excursion, however the water park trip is revisited as it is one of the favourites!

PLEASE NOTE THAT 5 YEAR OLD CHILDREN WILL DO SPECIAL ACTIVITIES IN SCHOOL AND NOT ATTEND EXTERNAL EXCURSIONS - ACTIVITIES WILL TAKE PLACE AFTER LUNCH AND INCLUDE BOUNCY CASTLES, FOAM PARTIES ETC

RESIDENTIAL PROGRAMME @SUMMER SCHOOL

In 2023 we have two residential options. Students can either stay with a Host Family or they can stay in the Boarding Facility which is approximately 30 minutes from Lady Elizabeth School. Either way, students will have a wonderful time getting to know other students from different countries around the world whilst studying English or Spanish in a fabulous safe environment.

HOST FAMILY RESIDENTIAL

We hand-pick our Host Families, visiting their homes and ensuring that they have up-to-date police checks and that they complete a safe-guarding course. We try and make the best possible matches between students and families to ensure that they all have a great summer experience.

Many of our Host Families have children of their own whilst others have grown-up children who live away from home. Either way the Host Parents are welcoming and children staying with them are made to feel welcome and comfortable.

During the week students have breakfast with the Host Family before they leave for school. Some Host Families drive the children to The Lady Elizabeth School and others use the bus service. Families provide the students with a snack and a drink for break time and lunch is provided by the school.

The evening meal is had with the Host Family and on many occasions Host Families get together with other families to have BBQs or social gatherings where students can see their friends from school.

We offer 24-hour assistance and pastoral care for our families and the students staying with them.

We know and trust our families and the best testimonials that we have are that students want to repeat with the same family year after year.

RESIDENTIAL PROGRAMME @SUMMER SCHOOL

BOARDING HOUSE FACILITY

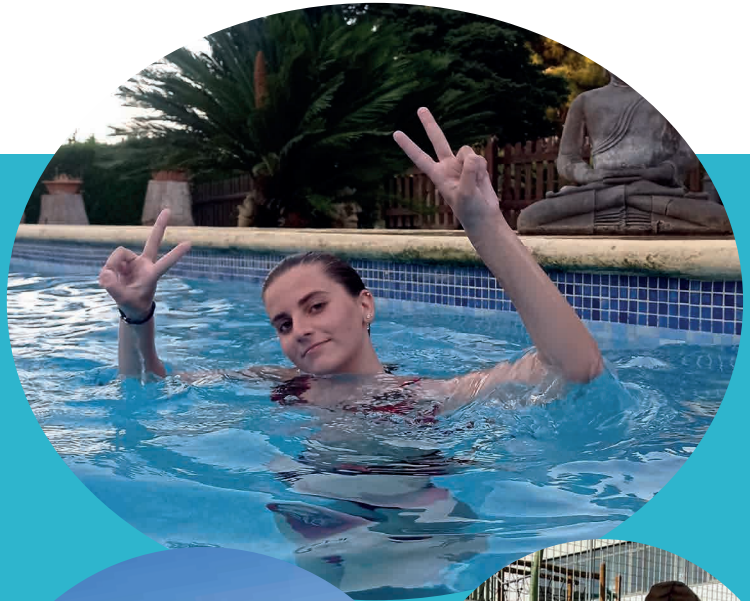

A fabulous addition to Summer School is our wonderful Boarding House Facility which is situated within 30 minutes of Lady Elizabeth School.

House Parents will care for a small number of children aged from 12 to 17 years from different countries around the world. A bus will transport students to and from school each morning and in the afternoon and in the evenings there will be activities organised by the House Parents, either on the beach in Javea, or in the Boarding House.

The Boarding Facility has a large pool, a table tennis table, large community areas and is beautifully furnished. Meals will be prepared by the House Parents and all students will eat together in the dining area.

On Saturday boarders will go with other students, staying with Host Families, to one of the theme parks in Benidorm. On Sunday they will go on cultural trips to Valencia or Alicante, or go to the beach to participate in one of the great outdoor activities in the local area.

Students will have an unforgettable experience staying in the Boarding House and will make lasting friendships with students from all around the world.
